Growing Our Partnership with The Highmark Caring Place

Since the inception of the Highmark Golf Classic, 16 years ago, the PA Funeral Directors Association has become a strong partner with the Highmark Caring Place.

One out of 20 children will have a parent die before they graduate high school. That's an average of one child in every classroom, on every sports team, in every scout troop or after-school club—roughly 150,000 children in Pennsylvania alone. And that does not include the children who experience the death of brothers or sisters, grandparents, aunts and uncles, close friends....Yet, as many children as this is, a grieving child often feels isolated and alone, different from all of his or her classmates, friends, and peers. Grieving children feel alone and afraid, heart-broken and devastated.

Join us for the day to help raise funds to support the programs and services of Highmark Caring Place. In 2019 the tournament raised over $8,720.00 that benefitted the specialized services and programs which the Caring Place offers at NO COST to the grieving children and their families. The Highmark Caring Place operates facilities located in Pittsburgh, Erie,Warrendale/Cranberry and Lemoyne, Pennsylvania.

Caring Place obtains its financial support through community donations and contributions. All funds raised by the PFDA Golf Classic are matched dollar-for-dollar by Highmark Blue Shield, which has doubled the total proceeds from PFDA golf outings each year.

For additional information on the Highmark Caring Place and its programs and services, visit www.highmarkcaringplace.com or call 1-866-613-HOPE (4673).
